Parent/Teacher Time to Talk Day

Thank you to those parents that have signed up for an appointment on our Time to Talk day. There are still some free time slots if you have not yet added your name. On the day itself, please come to the nursery at least 15 minutes earlier than your appointment time. Your child can then show you around the nursery and talk about their favourite things to do. This is a great opportunity to explore their world here at the school. Encourage your child to share their Learning Journey with you. Please remember that this is their learning journey and it will be full of pictures of their learning and development here at school. It will also contain any photos or items you have sent in from home. Staff will be available to play with your child when you go through to have your meeting with your child's teacher. These meetings are an opportunity for the teachers to share information regarding your child's learning and development and also to share successes. We will talk about your child's independence, resilience, social skills and their learning priorities for the term ahead. There will also be opportunities for you to ask the teacher any questions you may have.

Comic Relief Bake Sale

During our Time to Talk day, we will be holding a bake sale for Comic Relief. We would be very grateful for any donations of Homemade cakes or buns to be brought in on *Tuesday 21st* and *Wednesday 22nd March*. These will then be sold throughout the Time to Talk day in the reception area. Your support will be gratefully received.

Farm Visit

We will be taking small groups of children to our link farm on Tuesday 28th March. Letters have been sent home in your child's book bag if they will be going on this visit. We will be running these visits throughout the coming weeks so please don't worry if your child is not going this time around.

Musical Instruments

The children very much enjoy welcoming visitors into the nursery. In the past, parents/carers/older siblings or grandparents that play a musical instrument have brought them in to share with the children. We have had a pianist, flautist, violinist and even an accordion player which have been very well received by the children. If you or someone you know has a talent they would like to share with the children, please speak to Mrs Benson.

Invoices

Please can we remind parents that all outstanding invoices must be paid before the end of term. We accept payment by cash/cheque (made payable to Truro Nursery School), debit or credit card (charges apply for credit cards), childcare vouchers or direct bank transfers. If anyone would like to discuss their invoice or our payment methods, please speak to Mrs Jacobs or Mrs Jago.

Spare Socks

Please can you make sure your child has plenty of socks in their spare clothes bag. Also, if anyone has any old socks they would like to donate to the nursery, we would be very grateful.
