### Summer Fayre

We would like to say an enormous thank you to everyone who volunteered, donated, purchased and attended the FoTN summer fayre! It was a huge success and a fabulous £274.60 was raised.

### Lunches

Please can you ensure that no nut products of any kind are included in your children's lunch. It poses a very large risk to any child who may be allergic.

### Early Collection

If you are intending to collect your child early from Nursery, please could you make sure that you inform us ahead of time. It can be disruptive to the session to have people in and out but if we are told in advance we can try to have the children ready to be collected with minimal disruption.

### Wet Clothes

We will be changing the way we operate our wet clothes system from September. More details will follow but in essence we will no longer be using the home clothes bags. Instead the Nursery will supply all changes of clothes throughout the day. To enable this, we are hoping for donations of any age appropriate clothing. We will need more lower half items so please donate any unwanted socks, underwear, trousers and leggings etc. Many thanks.

### Lost Property

There is an extremely large amount of lost property under the reception desk. Please take some time to look through it to check if any of your child's items are in there as any unclaimed items will be given to charity at the end of term.

### 30 Hour Funding

If you wish to use 30 hour funding next term then now is the time to apply. It cannot be applied retrospectively and therefore we would require confirmation before the end of this term. 30 hour funding is not an automatic entitlement, if you think you may qualify, please go to: [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) to check.

In this hot weather,  
why not try freezing  
a few non battery  
toys and then  
having fun getting  
them out again!  
Photos welcome
