Naming Clothes

We have had a few items of children's clothing go missing in the Nursery recently. Please could we ask that **all** of your children's clothing is labelled clearly with their name. It is a nearly impossible task for our Teachers to keep track of individual items of home clothing and if they are unnamed it is very difficult to find them once mislaid. Thanks for your understanding.

Summer Fayre

There is now a sign up board in the entrance so please pop your name down if you can spare half an hour. We have had some fantastic donations including some lovely tipples for the booze hamper, a month's free membership for two people at Stringers Gym, tickets to Camel Creek Adventure Park and an item of children's clothing from Elf and Zip to name a few! Please keep all donations coming in.

Stay and Play sessions

Please note that are current term's Stay and Play sessions will come to an end on Friday 12th July in all locations.

30 Hour Funding

If you wish to use 30 hour funding next term then now is the time to apply. It cannot be applied retrospectively and therefore we would require confirmation before the end of this term. 30 hour funding is not an automatic entitlement, if you think you may qualify, please go to: www.childcarechoices.gov.uk to check.

Eden Trip

The children had a really wonderful time at their trip to the Eden Project this week. It was a full day and the children all conducted themselves beautifully throughout!

Missing Sun Hat

One pink and one red, slightly patterned sun hats has gone missing. If anyone has picked it up by mistake, please return it to the Nursery and we will reunite it with the owner.

Try reading some information books about animals or mini beasts to tie in with the recent activities at Nursery.
